to relate to A A Colony and is stated to have become irrecoverable owing to the poverty-stricken condition of the people, and the balance of Rs 55-4-0 said to represent taxes due on carts, cycles and shops, is also stated to be not recoverable from for the reason that some of the parties are since dead and many have left the place and their whereabouts are not known

5) Rule 52 Note 2 of M A M prescribes 3 years as the period of limitation for destraint and 12 years for instituting suits in the required cases It would not therefore be in conformity with the rules to write off such amounts without exhausting all the remedies open for recovering them

7) It is not clear either from the Deputy Commissioner's letter or the President's letter whether all requisite steps for effecting the recovery were taken as per Sub Rule (1) of 84 A and 84(5) of M A M

8) The Municipal Council as per existing rules is competent to sanction all remissions or writes-off upto a limit of Rs 150/- only

9) As the amount recommended for being written off i e , Rs 439-1-6 exceeds the prescribed limit, sanction of Government may be accorded to the proposal of the Deputy Commissioner, after ascertaining whether all possible steps for recovering the amounts have been taken and proved ineffectual in the cases recommended
